

Dear PPS Families

As we prepare for the **2026–2027 school year**, our Transportation Department is working to update bus routes and add new students to our transportation system.

Please be aware that **bus numbers, routes, bus stops, and pick-up/drop-off times may be different from last school year.**

### **Bus Information Available August 27**

Updated bus stop locations and estimated pick-up/drop-off times will be available beginning **Thursday, August 27**. You can find your student's transportation information through:

- **MY RIDE K-12 app**
- **APPLE STORE**
- <https://apps.apple.com/us/app/my-ride-k-12/id6443848115>
- **GOOGLE PLAY**
- <https://play.google.com/store/apps/details?id=com.tylertech.myridek12>
- **Skyward**

### **Important Bus Stop Information**

Most bus stops are **group stops** designed to serve multiple families. Bus stop times are estimates and may vary slightly from day to day.

For your student's safety and to help keep routes running on time, **students should be at their assigned bus stop and ready to board at least 5 minutes before the scheduled stop time.**

### **Courtesy Riders**

Students who qualify as **courtesy riders** will not be assigned transportation until **October 1, 2026**. Courtesy transportation will only be considered if there is available space on the bus and the student's school has room for additional riders.
